News from the Clubhouse

JUNE 2023

## It's a Montour Heights Family Affair!

Picture left to right are Patti, Bruce, Kaitlin, John, Jordyn, Peggy & Norm

We would like to extend a warm welcome to new members Kaitlin and John Kearney and their daughter Jordyn. The Kearney's membership at Montour Heights has created a uniquely connected family. Kaitlin is the daughter of members Peggy and Norm Mitry and the niece of Patti and Bruce Carfagna. Kaitlin and John are expecting twin sons in July.

It's so exciting to watch our Montour Heights family expand and to learn how members are connected.

*Congratulations to the Kearney's on their growing family!*

Congratulations and best wishes to members Mary Murray and Chris Conti who were married on May 5. Theirs is another story about how the Club inspires lasting connections. Mary's and Chris' first date was at the Club on March 9, 2001, where after drinks in the bar, they dined on spots (a favorite from the old menu). The couple were introduced to each other by Chris' godmother Karen, who knew Mary from a networking group. Chris has been a member of the Club for 30 years. Mary joined a few years after meeting Chris. And the rest, as they say, is history!

*Pictured here are Mary and Chris during their wedding reception at the Club.*

Congratulations to John Banaszak, our 2023 McCune Cup winner, who makes the world a better place through his many charitable endeavors.

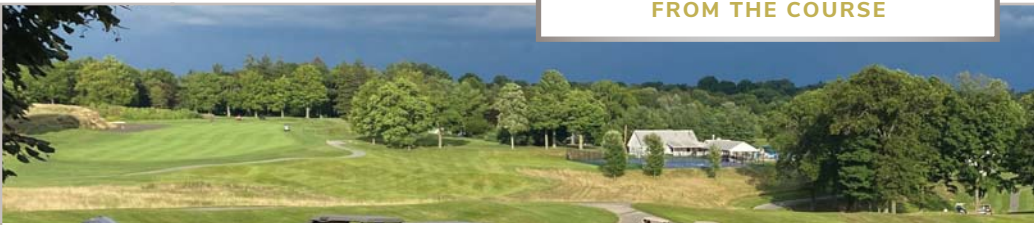

John was honored at the McCune Cup Dinner on May 20 and is shown here with his grandchildren.

## McCune Cup Weekend Highlights

Congratulations to our 2023 McCune Cup Champions Jack (left) and Harry Range shown here with Head PGA Professional Alex Megrey

Congratulations to John Banaszak, this year's McCune Cup Honoree

.....

John is a three-time Super Bowl champion and has been a long-standing member here at Montour Heights Country Club. But that isn't where his contributions to the Club and community begin. John's work with local and national charity organizations is what makes him such a great recipient for the McCune Cup Honor.

John has worked tirelessly with the Mooncrest Neighborhood Program, Purple Heart Foundation, Marine Corps Scholarship Foundation, Holy Family Institute, and is a Director of The National Flag Foundation, among other charity organizations too numerous to mention.

## FROM THE GROUNDS

## Keeping the Grounds Looking Good

The grounds crew is in high gear right now. Grass demands most of our attention, but we're making time to get to our task list. Flowers are in, the landscape in the Grand Terrace area has been freshened up, and new sod installation has been taking place all over the property. We are continuing with reclamation from the irrigation and bunker projects; work is about finished there. The cart path on #16 has been back filled and seeded. We're just starting to spray weeds in the rough and high grass, so things are really pulling together.

Our temporary workers are learning the ropes and are starting to settle into our routine. The language barrier has been the biggest issue, and I've learned Google translate isn't always 100%. While we're missing our Mexican workers, we've been

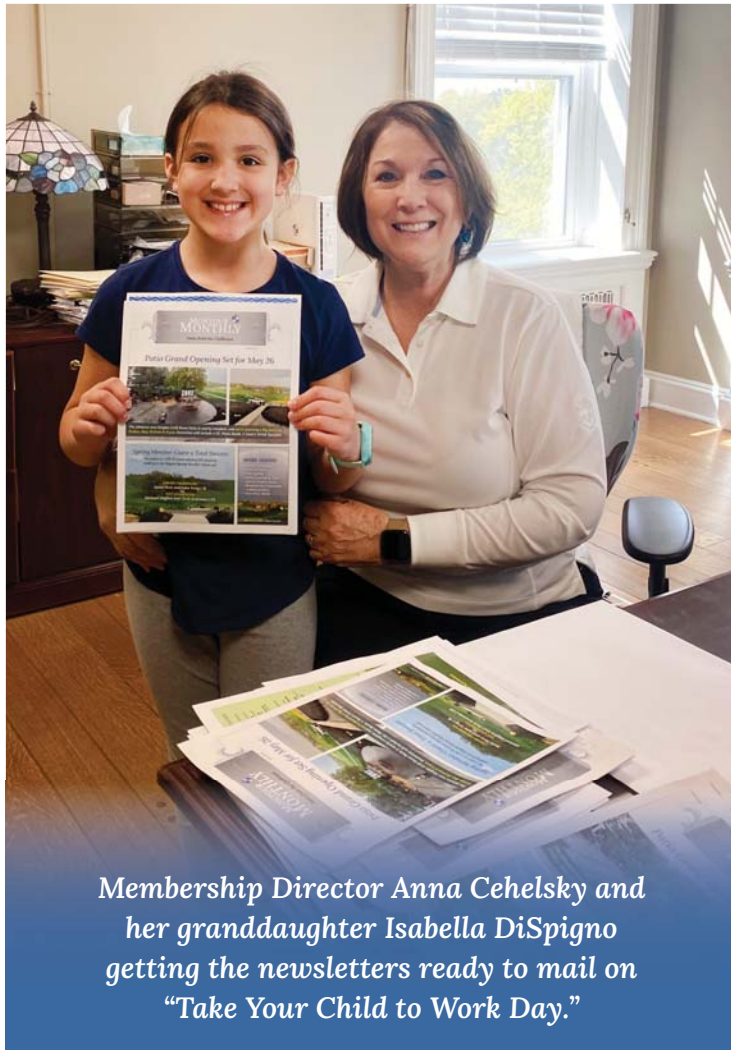

able to maintain the course and finish some projects with our new friends. The Board has okayed application for an October Visa for our regular workers, and we're hopeful we'll see them in the fall.

The Board of Directors has hired Jason Sloan, golf course architect, to design a plan for tee renovation. Jason was the architect for the bunker project, and it's undeniable that visually the work has made a huge, positive impact.

Enjoy the golf course!
