SEPTEMBER 2023

We're so Proud of our Junior Golfer Shining Stars!

Congratulations to **MADISON DO**, who qualified for the Regional Drive Chip and Putt Qualifier at Aronimink Golf Club in August! Madison qualified for the event by finishing first in her age division at the Sub-Regional Qualifier at Nemaocolin Woodlands. If Madison finishes first again in her age division at Aronimink, she'll be competing at the National Drive Chip and Putt Championship at Augusta National Golf Club. *Congratulations Madison, and good luck at Aronimink!*

PEARL LUNDGREN is the winner of the 2023 Isaly's Player of the Year Tournament at Nemaocolin Woodlands for the Girls 11-15-year-old division. *Congratulations Pearl!*

Third Annual Summer Charity Event a Huge Success

Montour Heights Country Club's third annual summer charity event "Summer Breeze" took place on August 12 and was a huge success! Thanks to the silent auction proceeds, generous monetary donations and ticket sales, we raised more than \$6,000 for the Coraopolis Food Pantry. In addition, more than 100 boxes of cereal were donated. The Coraopolis Food Pantry is one of the benchmark programs run by the Coraopolis Community Development Corporation (CCDC). The monetary donations and cereal will have a positive impact within our local Coraopolis community. Thank you, everyone, for your generosity!

September Message from Board President Roger Irwin

As most of you know, Ken Brunermer is no longer with Montour Heights. I would like to thank Ken for his many years of hard work and dedication to our club and golf course. No one can argue that our golf course was maintained in very good condition during some very lean times in the past. However, the time has come to move forward and elevate the condition and playability of our course.

HIRING A NEW COURSE SUPERINTENDANT

To that end, the Board of Directors has initiated the process to hire a new course Superintendent. We intend to have that person in place by November 1 of this year. In the meantime, our assistant superintendent, Jason Lane, has agreed to take over on an interim basis until we hire our permanent replacement. Jason is already implementing some new ideas and doing a great job as Superintendent. Jason will also be a candidate for the permanent position.

THE LAKE AT #15

Lastly, I want to turn your attention to the lake at #15. You will be wondering why the water level has dropped significantly. We have at least one leak in the liner of the lake. Water is currently flowing from the lake through the dam above our pump house. We have had engineers and geo-techs out to assess the situation. They have suggested that we slowly drain the lake until the leak stops so as not to affect the stability of the dam.

We started that process on Wednesday, August 23.

Once we find the leak has stopped, the lake will stay at that level until we have an engineered solution and are able to proceed with liner repair or replacement.

See you around the Club!

Women's Course Record Broken

On August 1, Johnna Hopley, our lead assistant PGA pro here at Montour Heights, broke the women's course record from the red tees! She shot 64, highlighted by an eagle on hole number 11! Check out her scorecard. *Congrats Johnna!*

We would like to extend a
BIG THANK YOU
to all of our summer staff for
their hard work. You helped
make our summer great!
Best of luck to you!
