May Message from Board President Roger Irwin

May is here! Hopefully, that means everyone's golf game is in full swing! That also means that swim season will soon be upon us.

GETTING THE SPORTS COMPLEX READY FOR THE SEASON

You will be seeing activity down at the Sports Complex as Sam and her crew begin getting the pool house and grounds ready for opening day. Dave and Peter will also be working on the pool and pump house making sure everything is in good working order. Our electrician will be around, checking to be sure all of our equipment will turn on when we need it to. He will also be adding some outside lights to improve visibility at night.

The new lounge chairs arrived on April 15. We also purchased 50 additional side tables to make your day in the sun as convenient as we can.

NEW AQUATICS DIRECTOR ON BOARD

With the opening of the pool comes the next addition to our team. Mr. Jeff Berghoff will be joining us this year as our Aquatics Director and the Sharks new swim coach. Many of you know Jeff as the owner of Steel City Aquatics. He was also at our pool a few times in the past lending a hand to Sam and Mark. Jeff has a lot of great ideas to improve the member experience for all age groups at the pool, and he is eager to get you all in the water!

Everything is in place for another fantastic season at Montour Heights. Our entire staff has worked hard again this year to give you the best club experience possible. We hope you get the chance to enjoy all your Club has to offer!

A Message from Your Head Golf Professional

While it's certainly been a rainy start to our season, it looks like we can finally announce that golf season is here! With one event in the books and the driving range being open (finally) it's been great seeing everyone here at the Club!

To echo the note sent from the Board of Directors in April, please make sure that you're doing your part to take care of the golf course during your round. Every little course maintenance act will help take our golf course to the next level.

We're excited for the year and the events to come, and hope to see everyone very soon!

On Course for the 2024 Season

The saying of April showers is certainly correct for this year. Early April we saw a historic amount of rainfall. The staff has been doing an amazing job maintaining the course through these very wet conditions.

Rough has been mowed a few times already this year, and this will continue throughout the year. We are starting to get into the full swing of golf course maintenance. I cannot thank you enough for your patience in getting the range open.

The range floor needed to dry out for us to be able to mow it.

I would like to welcome our new mechanic Ralph Vento, who comes to Montour from Fox Chapel Golf Club. Ralph has been the assistant mechanic there for the past two years. He is very eager and excited to be here at Montour Heights.
