June Message from the General Manager

First, I want to start by thanking both the membership and staff for the warm welcome to Montour Heights. The management and staff have done amazing work over the last few months to move the Club in the right direction, and as always, making sure our membership is taken care of. I look forward to the bright future of the Club.

SPLISH, SPLASH

Can you believe that Memorial Day has come and gone already? The pool is in full swing for the season, and the weather is finally cooperating. We are excited to welcome Jeff Berghoff to our pool team this year. He is looking forward to bringing some fresh, new ideas into our pool season, which you sure won't want to miss. Be sure to check the website regarding swim lessons and swim team for the season.

NO SPLISH & NO SPLASH

As many of you have continued to see, work on the #15 pond is still underway. With the weather we have had over the past two weeks, tremendous

progress has been made. The old liner has now been completely removed. We have started removing larger stones and grading in preparation for the new liner. As the new liner is installed, things will begin to move quickly, and water will be added within days of the new liner. I want to thank Corey and his staff for their continued work on the pond and their efforts in maintaining the course during our limited water access.

SPECIAL MEETING

As has been communicated, the Board has called a special semi-annual meeting on June 13 regarding several important items for the membership to be made aware. We are encouraging all members to attend in person; no virtual option will be available. If you are unable to attend, a summary of the meeting and the presentation will be sent out following the meeting.

*Paul M. Korbar, CCM
General Manager, MHCC*

Semi Annual Membership Meeting Announcement

Dear Members,

In accordance with Montour Heights Country Club By-laws, this notice is to serve that a special meeting has been called by the Board of Directors. This meeting will be a Semi-Annual Membership Meeting held on Thursday, June 13, 2024 at 7 p.m. in the Ballroom. All members are encouraged to attend.

The primary objectives for discussion during the meeting include:

- A presentation of the recent capital survey results
- An overview of the third-party facilities study as part of a long-term capital plan
- Details regarding the upcoming assessment

Keeping the Course Healthy

As we head into early June without the pond project on 15 being completed, there is only one goal in mind for us. It is to keep the turf as healthy as possible until we can return to more normal maintenance practices. Without a proper irrigation system, we cannot push or stress the turf like we would normally do to provide the best playing conditions. We are currently operating at a 20% capability rate of our regular system. We do not have the capability to run any watering programs overnight at this point. Hopefully, in the next few weeks, this project will be completed, and we can get back to normalcy.

With that being said, you will be seeing team members with hoses and/or running irrigation heads throughout the day. We will do our best to stay out of the way of golf, but please have patience and respect for our team as they are doing their best to maintain a golf course without the most crucial element needed, a functional irrigation system.

I do not want to sound all doom and gloom as there is light at the end of the tunnel. We are working every day to get this completely corrected and as soon as possible. I want to be very upfront with all of you about the current situation. As always, we truly appreciate your patience and understanding.

New golf course accessories have been starting to roll out on the golf course. Bunker rakes have been replaced, and there will be a new look to our cups, flags and flagsticks. A new special event flag will be out for our major events throughout the year.

The team has been doing an amazing job throughout all these challenges, and I truly appreciate their dedication and hard work.

Corey Cheza, Golf Course Superintendent and the MHCC Grounds Staff

HAPPENINGS AROUND THE CLUB

Our Montour Heights Family is Growing!

Congratulations to our Assistant Controller Amanda Brewer who welcomed her new son Bennett on May 1. He weighed in at 9 lbs 4 oz and was 21 inches long. Lawson and Addie are thrilled to meet their new baby brother!

Congratulations to Quenton Van Niekerk, Heights Grill Room Manager, and his wife Suné who welcomed their new daughter Elsabe on April 29. She weighed in at 8 lbs 9 oz and was 20.5 inches long. Here she is with big brother Arnold.

JAMAICAN JERK MARINADE

Ingredients

- 1 orange
- 1 lemon
- 2 limes
- ¼ cup vegetable oil
- 8 garlic cloves
- 4 green onions
- 1 bunch cilantro
- 4 jalapeños
- ½ cup Jamaican jerk seasoning

Directions

Peel the orange, lemon and lime. Char fruit on grill over medium-high heat. Add all the ingredients including the charred citrus fruits in a blender and blend for 4 minutes.

Enjoy!
