MHCC Swim Team Finishes Season in Top 10

BIG Congratulations to our amazing CHAMPS! We're so proud of each and every one of you!

Our swim team finished 5th out of 19 teams – the first top 10 finish in recent history!!

We had 4 First Place finishes:

13-over Girls 200 Medley Relay

- Maddie Puthoff
- Kenzie Puthoff
- Stella Hazen
- Giuliana Angle

8-under Boys 25 Freestyle

- Harrison Bentley

13-14 Girls 50 Freestyle

- Maddie Puthoff

10-under Boys 100 Free Relay

- Marcos Mendez
- Liam Cudzik
- Harrison Bentley
- Landon Dennis

We'd like to give a GREAT BIG shoutout to COACH JEFF for leading our team to victory, inspiring team spirit and making the season FUN for everyone!

August Message from the General Manager

The start of August is upon us, and hopefully, the heat isn't as bad this month, but we know how August can be. With the end of the summer season quickly approaching, changes are approaching as well.

As some of you may be aware, Chef Jordan Hart has decided to leave MHCC to accept an opportunity closer to home. On behalf of the membership, staff, Board of Directors, and myself, I want to thank Jordan for his dedication and hard work for MHCC over the past 9 years. We wish him nothing but the best of luck in his future career.

Executive Sous Chef Mark Tranter will be overseeing the culinary operations while we continue to search for our future executive chef. We have had a flurry of candidates since we announced the job and are currently working through the candidates. We hope to announce and welcome our new chef sometime later this month.

With that being said, we do have to make some adjustments to our culinary offerings during this time of transition. Due to a reduced staff, we will be offering a limited lunch and dinner menu beginning Sunday, August 4. We are actively working to bring additional staff in, but must make adjustments to allow both a la carte and banquets to continue to function. We apologize for any inconvenience this may cause.

With school being just around the corner, I want to wish all the students in our MHCC community an educational, safe and productive school year ahead.

Paul M. Korbar, CCM
General Manager, MHCC

Welcome **NEW MEMBERS!**

Juan Sanin Frank Tipton

WITH SYMPATHY

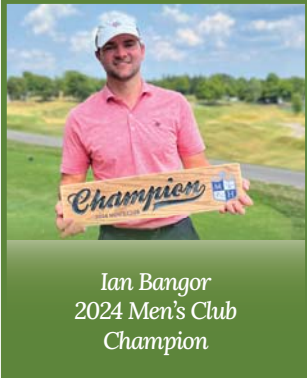

*It is with deep regret that we announce the passing of longtime member **BARBARA A. JOHNS.***

We extend our heartfelt condolences to her family and friends.

New Pond Liner Install Complete, New Equipment on Board

This summer has presented its fair share of challenges with the high temperatures and lack of rainfall impacting our course significantly. Despite these conditions, our staff has performed admirably in managing the situation, particularly with the ongoing relining of the pond. While we do have some brown spots in the rough, this is a common issue in the region under the current weather circumstances.

We are pleased to inform you that the installation of the new pond liner is complete, and as of July 12, our irrigation system is fully operational once again. This development has been a significant relief, to say the least. However, please note that the grounds staff will be addressing drier spots on the course by hand. While we make every effort to avoid disrupting play, there may be times when maintenance activities coincide with your game. We appreciate your understanding as we strive to maintain optimal course conditions throughout the day.

We are also excited to announce the arrival of new equipment at Montour Heights Country Club. We have received new walking greens mowers capable of grooming green surfaces. Grooming, a light verticutting of the green surface, will enable us to provide a finer playing surface, though it is not recommended during the high temperatures of July and August.

Additionally, new rollers for the greens have already been implemented, along with two new pull-behind blowers to enhance debris removal efficiency around the course. As with any new equipment, there are minor adjustments to be made, but we are making steady progress toward ensuring the highest quality golf course for your enjoyment.

Update on Otis:

We recently consulted both our local veterinarian and internal medicine specialist at BluePearl regarding Otis's health. Both confirmed that he is on track to live a happy and healthy life, albeit slightly underweight due to his condition, which was diagnosed when he was 12 weeks old. Otis is now 20 weeks old and continues to gain weight each week. His prognosis is positive.

We are delighted to share this encouraging news about everyone's favorite Montour Heights Country Club pup.

Thank you for your continued support and understanding.

*Corey Cheza, Golf Course Superintendent
and the MHCC Grounds Staff*
